SALES TAX

Vehicles titled and registered in another jurisdiction for three months prior to moving to this state are exempt from Illinois tax, but tax form RUT-50 (if purchased from an individual) or RUT-25 (if purchased from an out-of-state dealer) must be completed showing exempt status. Lessors, lessees, businesses relocating into Illinois, and military persons whose home of record is Illinois are not entitled to this exemption, although depreciation is allowed. Tax form RUT-25 must be completed to allow depreciation.

If you recently purchased and have not titled or registered the vehicle you are bringing into this state, a properly completed tax form, either RUT-25 (if purchased from a dealer) or RUT-50 (if purchased from an individual) and any applicable tax made payable to the Department of Revenue, must accompany your application to the Secretary of State's office.

Please see the actual tax forms for further explanation and contact the Illinois Department of Revenue if necessary — (800) 732-8866 (toll free in Illinois), or (217) 782-3336.

What Vehicles Must Be Titled and Registered

All vehicles used on Illinois public roads must have title and registration. (See Sec. 5/3-402 of the Illinois Compiled Statutes, the state law, for exceptions.) **New residents** have 30 days to apply for Illinois title and registration after establishing residence in this state, provided the vehicle is properly registered in another jurisdiction.

If a motorcycle or motor-driven cycle is not properly manufactured or equipped for general highway use as required by law, it is not eligible for registration but will be issued a distinctive certificate of title.

TITLE ONLY REQUESTS: A vehicle title, without registration, may be issued only if the vehicle will not be operated on public roads. An application for vehicle title (VSD-330) is required for this purpose and must be submitted with the proper fee.
